### Remarks

1. The installation fee does not include number porting cost.
2. The service availability shall be subject to the final confirmation by HGC.
3. The above monthly service fee, installation fee, relocation fee and reconnection fee only cover standard installation work which refers to installation work conducted by HGC using common facilities available at the building, which includes cable, trunking, raiser etc., with permission to use these facilities without additional charge to HGC. Customer shall be liable to pay any extra charge that may be incurred for any installation work which is outside the scope of standard installation work that is not planned or beyond normal provision of the services, including but not limited to high-platform setup, opening ceiling, fixing promat, special internal wiring, dedicated trunking, internal trunking, civil works, wayleave dues, customer premise equipment, maintenance or site visit for non-HGC network, any surcharges imposed by the building management office ("BMO"), incorporated owner of committee, contractor or any third parties for the provision of the services, etc. The extra charge is subject to the cost, complexity, effort involved and the availability of resources.
4. The above services and tariffs are subject to HGC's final notice. HGC reserves the right to change the terms and conditions of the above services and tariffs at any time without prior notice.
